Buy VectorScribe - Artbeamer 2.0 | Gratis VectorScribe's classic user interface has not been redesigned since 1998 (i.e. version 2.0). However, it is based on the same vector drawing code as the Advanced Edition and VectorMagic plug-ins that are also included with the VectorScribe v2.1 update. The purpose of vectorizing the design is to send it as a scalable vector graphic, or SVG, file. The resultant vector file is a file in a vector graphics format that can be scaled or re-sliced in the future, and without quality degradation. The vector drawing files in this tutorial are available for download in a.

Marketing, advertising & media intelligence This week's THUMP-ups cover everything from some new social media traps to some new social media campaigns. Also, the shorter version of the newsletter has a little preview of the week's upcoming events, including the latest version of my podcast, Hello & GoodBye. Here's what I THUMP'd this week: Social media traps: Some people are determined to scare the hell out of you, and they have gone and found a way to do it in a new video. Stay vigilant and you might survive. New social media campaign: A Japanese food company called Maehara is currently running a new social media campaign across Facebook, Twitter and other platforms to promote the launch of its new Gold & White Quinoa. Hello & Goodbye: You can always find me on iTunes, facebook.com/mikehenderson or @mikehenderson on Twitter. I'm also giving the first ten people who leave a comment that I've noticed a free trial of Freshly Squeezed which is a weekly newsletter covering food and news that I've curated. Freshly Squeezed will land on your in-box on Sunday night and it will contain three to four pieces of content to help you get through the week. In other words, it's a free weekly newsletter covering food and news
