The essays are a summary of the course on the American War of Independence, offered at John Jay College in New York City. The course is offered through NYU Coursera, so you can view it online. A second version of these essays will be posted on NELP.net in a couple of days. The essays are presented in the same order as on Coursera, and with just a few additional notes. I'll post the first and third when they are finished, as well as links to the other essays. The American War of Independence is the official title of the course. It'
