Cartea junglei dublat in romana mov 2. third-hand fumes. "They say the monument was removed from the USA because it was harmful to American culture," he said, and added that he had a question for the Chinese: "Why didn't you have to remove a sculpture that hurt your culture?" Koren said only one person has ever been invited to the embassy to look at the "In God We Trust" sculpture. When he first saw it, "I was immediately struck by the arrogance of that phrase." He said he would return if the Chinese invite him again, but that he has little hope that will happen. "What they really want is a political victory. And they don't have any more room to play with us," he said.

PHILADELPHIA (AP) - A trio of women who worked together in men's fashion are opening a pop-up shop that is the first of its kind in Philadelphia. The Blossoming Boutique for Men and Boys is opening Friday at the Wanek Building in West Philadelphia. Producer of "Project Runway" Nina Garcia and stylist Michael Hehemann co-created the business. It will feature a mix of their favorite men's designers, including Hugo Boss, John Varvatos, Tommy Hilfiger and Timothy Everest. Garcia says the women share a fashion sense and a "lack of shame" that they want to share with other men. Hehemann says the line will be made from up to 80 percent recycled materials, saving money and the environment. (Copyright 2013 The Associated Press. All rights reserved. Q: What is the "root" for Bayes' Theorem? The formula for Bayes' Theorem is usually expressed as follows: $P(A|B) = \frac{P(B|A)P(A)}{P(B)}$

Since $P(A) = \int P(A|B)P(B)$ and $P(B) = \int P(B|A)P(A)$, we can rewrite the equation as: $P(A|B) = \frac{P(B|A)P(A)}{\int P(B|A)}$
