Made for: - The lovers of the fantasy role-playing genre such as FINAL FANTASY VII - Those who are looking for an extensive fantasy RPG with a wide array of elements

Online Mode from FINAL FANTASY TACTICS II, in which you join a party with others and work with them in the field, is now available.

The "Global Alliance" which you will encounter during Exploration is fully realized in the World of Ragne with many fantastic features, such as a party from different countries sharing a common goal. Online mode has been improved by expanding the variety of the quests and the options to customize your own party as you have yet wished.

As a result, the difficulty of battles has been reduced significantly so that anyone can enjoy it without the fear of overstaying their welcome. The number of new quests which can be cleared on Normal mode has also been increased.

Furthermore, FINAL FANTASY VII is now also included in the Online Mode.

Team Nero plans to continuously update the online elements and FINAL FANTASY X-2.

Please wait while we improve and innovate.
