Honestech Tvr 2.5 Serial Number

I purchased the Honestech TVR 2.5 system. I downloaded the software put in the Serial number to complete the installation. The first time I tried it, I saw myself throught the computer camera, then I switched to see the USB and I tried to capture a small amount of video from the VHS player. But now when I load the software and try to play a vhs tape I only see a white screen and neither the computer camera or the USB connector is talking to the software, I just see the white screen. I have tried to find the manual for the honestech tvr 2.5 in vain. I have opened the box and tried to find the manual but failed. I know there is a free version of the software so I downloaded it to my computer, and I was able to see the video I recorded. My operating system is Windows 10. I purchased the Honestech TVR 2.5 system. I downloaded the software put in the Serial number to complete the installation. The first time I tried it, I saw myself throught the computer camera, then I switched to see the USB and I tried to capture a small amount of video from the VHS player.
